Section Two Standing Orders

1.1 Statutory Framework

- 1.1.1 Brighton and Sussex University Hospitals NHS Trust (the Trust) is a statutory body established by the Brighton Health Care NHS Trust (Establishment) Order 1992/2536 (as amended by the Brighton Health Care NHS Trust (Change of Name) order 2003/866).
- 1.1.2 The principal places of business of the Trust are the Royal Sussex County Hospital, Brighton, and the Princess Royal Hospital, Haywards Heath.
- 1.1.3 NHS Trusts are governed by Acts of Parliament, mainly the National Health Service Act 2006.
- 1.1.4 The functions of the Trust are conferred by this legislation.
- 1.1.5 As a statutory body, the Trust has specified powers to contract in its own name and to act as a corporate trustee. In the latter role it is accountable to the Charity Commission for those funds deemed to be charitable as well as to the Secretary of State for Health.
- 1.1.6 The Trust may enter into arrangements for the carrying out, on such terms as the Trust considers appropriate, of any of its functions jointly with any Special Health Authority, Local Health Board or other NHS trust, or any other body or individual. The Trust may also make arrangements with local authorities as to the exercise of functions, in accordance with s75 of the NHS Act 2006.
- 1.1.7 Regulation 19 of the Membership and Procedure Regulations requires the Trust to adopt Standing Orders for the regulation of its proceedings and business. The Trust must also adopt Standing Financial Instructions (SFIs) as an integral part of Standing Orders setting out the responsibilities of individuals.
- 1.1.8 The Trust will also be bound by such other statutes and legal provisions which govern the conduct of its affairs.
- 1.1.9 The Trust entered into an *Agreement for Further Collaboration* with Western Sussex Hospitals NHS Foundation Trust (WSH) on 31st March 2017 for the provision of certain management services by WSH to the Trust. This agreement commenced on 1st April 2017 for a duration of 3 years, subject to the provisions of the agreement.

This document incorporates the provisions of the agreement in so far as they apply to these Standing Orders.

1.2 NHS Framework

- 1.2.1 In addition to the statutory requirements the Secretary of State through the Department of Health, the NHS Trust Development Authority and NHS England issue further directions and guidance. These are normally issued under cover of a circular or letter.
- 1.2.2 The NHS Code of Accountability requires that, inter alia, Boards draw up a schedule of decisions reserved to the Board, and ensure that management arrangements are in place to enable responsibility to be clearly delegated to senior executives (a scheme of delegation). The code also requires the establishment of audit and nomination and remuneration

committees with formally agreed terms of reference. The NHS Code of Conduct sets out various requirements including the management of conflicts of interest by Board members.

- 1.2.3 The Code of Practice on Openness in the NHS sets out the requirements for public access to information on the NHS.
- 1.2.4 NHS Trust boards are encouraged to adopt good corporate governance standards, such as those set out in The Healthy NHS Board (2013). This document recommends that boards should focus on three duties: shaping organisational culture, holding the organisation to account and setting strategy. To achieve this, boards must put in place and maintain robust corporate governance arrangements, integrated across the organization. This will encompass corporate, financial, clinical, information and research governance. Integrated governance will better enable the Board to take a holistic view of the organisation and its capacity to meet its legal and statutory requirements and clinical, quality and financial objectives.

1.3 Delegation of powers

The Trust has powers to delegate and make arrangements for delegation. The Standing Orders set out the detail of these arrangements. Under the Standing Order relating to the Arrangements for the Exercise of Functions (SO 5) the Trust's Board of Directors is given powers to "make arrangements for the exercise, on its behalf, of any of its functions by a committee, sub-committee or joint committee appointed by virtue of Standing Order 4 or by an employee of the Trust, in each case subject to such restrictions and conditions as the Board thinks fit (or as the Secretary of State may direct). Delegated Powers are covered in a separate document (Reservation of Powers to the Board and Delegation of Powers). This document has effect as if incorporated into the Standing Orders.

2. Board of Directors: composition, tenure and role

2.1 Composition of the membership of the Board of Directors

In accordance with the Membership and Procedure Regulations the composition of the Board shall be:

- (i) the Chairman of the Board of Directors (appointed by the NHS Trust Development Authority);

Paragraph 3 of Schedule 4 to the NHS Act 2006, provides that the Chairman is appointed by the Secretary of State. The further provisions for the appointment and tenure of office of the Chairman and members shall be as set out in the Membership and Procedure Regulations.

2.4.2 Any member so appointed may at any time resign from the office of Deputy Chairman by giving notice in writing to the Chairman. The Chairman and other members of the Board of Directors may thereupon appoint another member as Deputy Chairman in accordance with the provisions of Standing Order 2.4 1.

- (b) if both are present at a meeting they should cast one vote if they agree;

Such a resolution may consist of several documents in the same form, each signed by one or more of the Directors.

3.15 Suspension of Standing Orders

- 3.15.1 Except where this would contravene any statutory provision or any direction made by the Secretary of State or the provisions of these Standing Orders with respect to a quorum, any one or more of the Standing Orders may be suspended at any meeting, provided that at least two-thirds of the whole number of the members of the Board of Directors are present (including at least one member who is an executive member and one member who is a non-executive member) and that at least two-thirds of those members present signify their agreement to such suspension. All existing Board members should declare such interests. Any Board members appointed subsequently should do so on appointment.

7.1.2 Interests which are relevant and material

- (i) Interests which should be regarded as "relevant and material" are:
 - (a) directorships, including non-executive directorships held in private companies or PLCs (with the exception of those of dormant companies);

7.1.3 Advice on Interests

- (i) If members of the Board of Directors have any doubt about the relevance of an interest, this should be discussed with the Chairman of the Board of Directors, the Chief Executive or the Director of Corporate Governance.
- (ii) Financial Reporting Standard No 8 (issued by the Financial Reporting Council) specifies that influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partners in professional partnerships including general practitioners should also be considered.

7.1.4 Recording of interests in minutes of meetings of the Board of Directors

- (i) At the time Board members' interests are declared, they should be recorded in the minutes of the Board of Directors.
- (ii) Any changes in interests should be declared at the next meeting of the Board of Directors following the change occurring and recorded in the minutes of that meeting.

7.1.5 Publication of declared interests in Annual Report

Board members' directorships of companies likely or possibly seeking to do business with the NHS should be published in the Trust's annual report. The information should be kept up to date for inclusion in succeeding annual reports.

7.1.6 Conflicts of interest which arise during the course of a meeting

During the course of a meeting of the Board of Directors, if a conflict of interest is established, the member concerned should withdraw from the meeting and play no part in the relevant discussion or decision.

7.2 Register of Interests

7.2.1 The Chief Executive will ensure that a Register of Interests is established to record formally declarations of interests of Board or Committee members. In particular the Register will include details of all directorships and other relevant and material interests (as defined in paragraph 7.1.2 above) which have been declared by members of the Board of Directors.

7.2.2. These details will be kept up to date by means of an annual review of the Register in which any changes to interests declared during the preceding twelve months will be incorporated. The register will be reported to the Board after each annual review.

7.2.3 The Register will be available to the public and the Chief Executive will take reasonable steps to bring the existence of the Register to the attention of local residents and to publicise arrangements for viewing it.

7.3 Exclusion of Chairman and Members of the Board of Directors in proceedings on account of pecuniary interest

7.3.1 Definition of terms used in interpreting 'pecuniary' interest

For the sake of clarity, the following definition of terms is to be used in interpreting this Standing Order:

- (i) "spouse" shall include any person who lives with another person in the same household (and any pecuniary interest of one spouse shall, if known to the other spouse, be deemed to be an interest of that other spouse);
- (ii) "contract" shall include any proposed contract or other course of dealing.
- (iii) "pecuniary interest"

Subject to the exceptions set out in this Standing Order, a person shall be treated as having an indirect pecuniary interest in a contract, proposed contract or other matter if:

- (a) he, or his nominee, is a director or member of a company or other body (not being a public body), with which the contract is made, or to be made or which has a direct pecuniary interest in the other matter under consideration, or
- (b) he is a partner, associate or employee of any person with whom the contract is made or to be made or who has a direct pecuniary interest in the other matter under consideration.
- (iv) Exception to pecuniary interests

A person shall not be regarded as having a pecuniary interest in any contract if:

- (a) neither he or any person connected with him has any beneficial interest in the securities of a company of which he or such person appears as a member; or
- (b) any interest that he or any person connected with him may have in the contract is so remote or insignificant that it cannot reasonably be regarded as likely to influence him in relation to considering or voting on that contract; or
- (c) those securities of any company in which he (or any person connected with him) has a beneficial interest do not exceed £5,000 in nominal value or one per cent of the total issued share capital of the company or of the relevant class of such capital, whichever is the less.

Provided however, that where paragraph (c) above applies the person shall nevertheless be obliged to disclose/declare their interest in accordance with paragraph 7.1.2 (ii) of these Standing Orders.

- (d) where a director has declared a non-pecuniary interest in relation to any matter only as a result of such director being appointed a director of BSUH pursuant to the Long Term Agreement that director shall also be entitled to participate in decision making for the purposes of quorum and voting.

- (e) a pecuniary interest of a director arising as a result of any remuneration payable to a director in relation to such director's appointment as a director of BSUH pursuant to the Long Term Agreement is not a Director's Interest requiring to be declared save in relation to the terms of such remuneration and such terms shall in all cases be considered by the remuneration committee of the Board established for that purpose.

7.3.2 Exclusion in proceedings of the Board of Directors

- (i) Subject to the following provisions of this paragraph, if the Chairman or a member of the Board of Directors has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at a meeting of the Board of Directors at which the contract or other matter is the subject of consideration, they shall at the meeting and as soon as practicable after its commencement disclose the fact and shall not take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.
- (ii) The Secretary of State may, subject to such conditions as he may think fit to impose, remove any disability imposed by this paragraph in any case in which it appears to him in the interests of the National Health Service that the disability should be removed.
- (ii) The Board of Directors may exclude the Chairman or a member of the Board of Directors from a meeting of the Board of Directors while any contract, proposed contract or other matter in which he has a pecuniary interest, direct or indirect, is under consideration.
- (iv) Any remuneration, compensation or allowance payable to the Chairman or member of the Board of Directors by virtue of paragraph 11 of Schedule 4 to the National Health Service Act 2006 (pay and allowances) shall not be treated as a pecuniary interest for the purpose of this paragraph.
- (iv) This paragraph applies to a committee or sub-committee and to a joint committee or sub-committee as it applies to the Trust and applies to a member of any such Committee or sub-Committee (whether or not he is also a member of the Board of Directors) as it applies to a member of the Board of Directors.

7.3.3 Long-Term Agreement

- (i) In taking decisions, the Board of Directors will act in the interests of the Trust, its patients and the public and in accordance with its legislative framework and standing orders.
- (ii) In the light of the Long Term Agreement the Board recognises that the rationale for any decisions that are taken by the Board must be taken in the light of considerations which are relevant to the decision and to the party taking the decision in accordance with the directors' duties and the general law.
- (iii) In order to assist each director in assuring themselves that they have complied with their individual duties as directors meetings of the Board shall be managed in order that in taking any decision:

- (a) the directors are expressly asked to give a rationale as to the benefit to the public as a whole of the decision taken; and
 - (b) the rationale agreed by the Board is set out in the minutes recording the meeting.
- (v) In taking a decision where WSH is also interested, for example a contract between the Trust and WSH; any consideration of the terms of the Long Term Agreement and the proposals for exit from the Long Term Agreement on its expiry or earlier termination:

A waiver shall be agreed in line with sub-paragraphs (ii) to (iv) below.

(ii) Definition of ‘Chairman’ for the purpose of interpreting this waiver

- (a) services under the National Health Service Act 2006; or

- (a) arises by reason only of the member's role as such a professional providing or performing, or assisting in the provision or performance of, those services to those persons;
- (b) has been declared by the relevant chairman as an interest which cannot reasonably be regarded as an interest more substantial than that of the majority of other persons who:

 - are providing or performing, or assisting in the provision or performance of, such of those services as he provides or performs, or assists in the provision or performance of, for the benefit of persons for whom the Trust is responsible.

The removal is subject to the following conditions:

- (a) the member must disclose his/her interest as soon as practicable after the commencement of the meeting and this must be recorded in the minutes;
- (b) the relevant chairman must consult the Chief Executive before making a declaration in relation to the member in question pursuant to paragraph 7.3.3 (ii) (b) above, except where that member is the Chief Executive; Brighton and Sussex University Hospitals NHS Trust Section B 31

- (ix) where specialist expertise is required and is available from only one source;
- (x) when the task is essential to complete the project, and arises as a consequence of a recently completed assignment and engaging different consultants for the new task would be inappropriate;

- (xiii) for the provision of legal advice and services providing that any legal firm or partnership commissioned by the Trust is regulated by the Law Society for England and Wales for the conduct of their business (or by the Bar Council for England and Wales in relation to the obtaining of Counsel's opinion) and are generally recognised as having sufficient expertise in the area of work for which they are commissioned. - (xiv) where allowed and provided for in the Capital Investment Manual. The waiving of competitive tendering procedures should not be used to avoid competition or for administrative convenience or to award further work to a consultant originally appointed through a competitive procedure.

Where it is decided that competitive tendering is not applicable and should be waived, the fact of the waiver and the reasons should be documented and recorded in an appropriate Trust record and reported to the Audit Committee at each meeting.

(i) Responsibility for maintaining list

A manager nominated by the Chief Executive shall on behalf of the Trust maintain lists of approved firms from who tenders and quotations may be invited. These shall be kept under frequent review. The lists shall include all firms who have applied for permission to tender and as to whose technical and financial competence the Trust is satisfied. All suppliers must be made aware of the Trust's terms and conditions of contract.

(ii) Building and engineering construction works

- (a) Invitations to tender shall be made only to firms included on the approved list of tenderers compiled in accordance with this Instruction or on the separate maintenance lists compiled in accordance with Estmancode guidance (Health Notice HN(78)147).
- (b) Firms included on the approved list of tenderers shall ensure that when engaging, training, promoting or dismissing employees or in any conditions of employment, shall not discriminate against any person because of colour, race, ethnic or national origins, religion or sex, and will comply with the provisions of the Equal Pay Act 1970, the Sex Discrimination Act 1975, the Race Relations Act 1976, and the Disabled Persons (Employment) Act 1944 and any amending and/or related legislation.
- (c) Firms shall conform at least with the requirements of the Health and Safety at Work Act and any amending and/or other related legislation

concerned with the health, safety and welfare of workers and other persons, and to any relevant British Standard Code of Practice issued by the British Standard Institution. Firms must provide to the appropriate manager a copy of its safety policy and evidence of the safety of plant and equipment, when requested.

(ii) Financial standing and technical competence of contractors

The Executive Director of Finance may make or institute any enquiries he deems appropriate concerning the financial standing and financial suitability of approved contractors. The Executive Medical Director will similarly make such enquiries as is felt appropriate to be satisfied as to their technical / medical competence

16.6.9 Exceptions to using approved contractors

- (i) If in the opinion of the Chief Executive and the Executive Director of Finance or the Executive Medical Director it is impractical to use a potential contractor from the list of approved firms/individuals (for example where specialist services or skills are required and there are insufficient suitable potential contractors on the list), or where a list for whatever reason has not been prepared, the Chief Executive should ensure that appropriate checks are carried out as to the technical and financial capability of those firms that are invited to tender or quote.
- (ii) An appropriate record in the contract file should be made of the reasons for inviting a tender or quote other than from an approved list

16.7 Quotations: Competitive and non-competitive

16.7.1 General position on quotations

Quotations are required where formal tendering procedures are not adopted and where the intended expenditure or income exceeds, or is reasonably expected to exceed £10,000 but not exceed £25,000. The Trust shall comply with EU procurement principles where contracts are to be awarded outside of a formal tendering process.

16.7.2 Competitive Quotations

- (i) Quotations should be obtained from at least two firms/individuals based on specifications or terms of reference prepared by, or on behalf of, the Trust.
- (ii) Quotations should be in writing utilizing the BravoSolution eTendering service unless the Chief Executive or his nominated employee determines that it is impractical to do so in which case quotations may be obtained by telephone. Confirmation of telephone quotations should be obtained as soon as possible and the reasons why the telephone quotation was obtained should be set out in a permanent record.
- (iii) All quotations should be treated as confidential and should be retained for inspection.
- (iv) The Chief Executive or his nominated employee should evaluate the quotation and select the quote which gives the best value for money. If this is not the lowest quotation if payment is to be made by the Trust, or the highest if payment is to be received by the Trust, then the choice made and the

reasons why should be recorded in a permanent record.

16.7.3 Non-competitive quotations

Non-competitive quotations in writing may be obtained in the following circumstances:

- (i) the supply of proprietary or other goods of a special character and the rendering of services of a special character, for which it is not, in the opinion of the responsible employee, possible or desirable to obtain competitive quotations;
- (ii) the supply of goods or manufactured articles of any kind which are required quickly and are not obtainable under existing contracts;
- (iii) miscellaneous services, supplies and disposals;
- (iii) where the goods or services are for building and engineering maintenance the responsible works manager must certify that the first two conditions in (i) and (ii) above apply.

16.7.4 Quotations to be within Financial Limits

No quotation shall be accepted which will commit expenditure in excess of that which has been allocated by the Trust and which is not in accordance with Standing Financial Instructions except with the authorisation of either the Chief Executive or Executive Director of Finance.

16.8 Authorisation of Tenders and Competitive Quotations

Providing all the conditions and circumstances set out in these Standing Financial Instructions have been fully complied with, formal authorisation and awarding of a contract may be decided by the following staff to the value of the contract as follows:

Designated budget holders	up to	£25,000
Directors	up to	£100,000
Chief Executive	up to	£500,000
Board of Directors	over	£500,000

These levels of authorisation may be varied or changed and need to be read in conjunction with the Trust Board’s Scheme of Delegation.

Formal authorisation must be put in writing. In the case of authorisation by the Board of Directors this shall be recorded in their minutes.

16.9 Instances where formal competitive tendering or competitive quotation is not required

Where competitive tendering or a competitive quotation is not required the Trust should adopt one of the following alternatives:

- (i) the Trust shall use the NHS Logistics for procurement of all goods and services unless the Chief Executive or nominated employees deem it inappropriate. The decision to use alternative sources must be documented;

- (ii) If the Trust does not use the NHS Logistics - where tenders or quotations are not required, because expenditure is below £10,000 the Trust shall procure goods and services in accordance with procurement procedures approved by the Executive Director of Finance.

16.10 Private finance for capital procurement

When considering a capital procurement, the Trust should normally market-test for PFI (Private Finance Initiative funding) unless the Executive Director of Finance considers it inappropriate to do so. When the Board of Directors proposes, or is required, to use finance provided by the private sector the following should apply:

- (i) the Chief Executive shall demonstrate that the use of private finance represents value for money and genuinely transfers risk to the private sector;
- (ii) where the sum exceeds delegated limits, a business case must be referred to the appropriate department or agency for approval or be treated as per current guidelines;
- (iii) the proposal must be specifically agreed by the Board of Directors; and
- (iv) the selection of a contractor/finance company must be on the basis of competitive tendering or quotations.

16.11 Compliance requirements for all contracts

The Board of Directors may only enter into contracts on behalf of the Trust within the statutory powers delegated to it by the Secretary of State and shall comply with:

- (i) the Trust's Standing Orders and Standing Financial Instructions;
- (ii) EU Directives and other statutory provisions;
- (iii) any relevant directions including the Capital Investment Manual, Estatecode and guidance on the Procurement and Management of Consultants; and
- (iv) such of the NHS Standard Contract Conditions as are applicable;

Contracts with Foundation Trusts must be in a form compliant with appropriate NHS guidance.

Where appropriate contracts shall be in or embody the same terms and conditions of contract as was the basis on which tenders or quotations were invited.

In all contracts made by the Trust, the Board of Directors shall endeavour to obtain best value for money by use of all systems in place. The Chief Executive shall nominate an employee who shall oversee and manage each contract on behalf of the Trust.

16.12 Personnel and agency or temporary staff contracts

The Chief Executive shall nominate officers with delegated authority to enter into contracts with employment agencies for the provision of staff. Where required by law, the Trust shall undertake a formal tender process to appointment such employment agencies.

16.13 Healthcare services agreements

Service agreements with NHS providers for the supply of healthcare services shall be drawn up in accordance with the National Health Service Act 2006 and administered by the Trust. Service agreements are not contracts in law and therefore not enforceable by the courts (although disputes may be referred to the Secretary of State). However, a contract with a Foundation Trust, being a public benefit corporation, is a legal document and is enforceable in law.

The Chief Executive shall nominate employees to commission service agreements with providers of healthcare in line with a commissioning plan approved by the Board of Directors.

16.14 Disposals

Competitive tendering or quotation procedures shall not apply to the disposal of:

- (i) any matter in respect of which a fair price can be obtained only by negotiation or sale by auction as determined (or pre-determined in a reserve) by the Chief Executive or his nominee;
- (ii) obsolete or condemned articles and stores, which may be disposed of in accordance with the supplies policy of the Trust;
- (iii) items to be disposed of with an estimated sale value of less than £10,000 - this figure to be reviewed on a periodic basis;
- (iv) items arising from works of construction, demolition or site clearance, which should be dealt with in accordance with the relevant contract; and
- (v) land or buildings concerning which Department of Health guidance has been issued but subject to compliance with such guidance.

16.15 In-house services

16.15.1 The Chief Executive shall be responsible for ensuring that best value for money can be demonstrated for all services provided on an in-house basis. The Trust may also determine from time to time that in-house services should be market tested by competitive tendering or soft market testing.

16.15.2 In all cases where the Board of Directors determines that in-house services should be subject to competitive tendering the following groups shall be set up:

- (i) a specification group, comprising the Chief Executive or nominee and specialist(s);
- (ii) an in-house tender group, comprising a nominee of the Chief Executive and technical support; and
- (iii) an evaluation team, comprising normally a specialist employee, a supplies representative and an Executive Director of Finance representative. For services having a likely annual expenditure exceeding the levels set out in the Scheme of Delegation, a non-executive member of the Board of Directors should be a member of the evaluation team.

16.15.3 All groups should work independently of each other and individual employees may be a member of more than one group but no member of the in-house tender group may participate in the evaluation of tenders.

16.15.4 The evaluation team shall make recommendations to the Board of Directors.

16.15.5 The Chief Executive shall nominate an employee to oversee and manage the contract on behalf of the Trust.

16.16 Applicability of SFIs on tendering and contracting to funds held in trust
These Instructions shall not only apply to expenditure from Exchequer funds but also to works, services and goods purchased from the Trust's trust funds and private resources.

17. NHS SERVICE AGREEMENTS FOR PROVISION OF SERVICES

17.1 Service Level Agreements (SLAs)

17.1.1 The Chief Executive, as the Accountable Officer, is responsible for ensuring the Trust enters into suitable Service Level Agreements (SLA) with service commissioners for the provision of NHS services.

17.1.2 All SLAs should aim to implement the agreed priorities contained within the Service Delivery Plan and wherever possible, be based upon integrated care pathways to reflect expected patient experience. In discharging this responsibility, the Chief Executive should take into account:

- the standards of service quality expected;
- the relevant national service framework (if any);
- the provision of reliable information on cost and volume of services;
- the NHS National Performance Framework;
- that SLAs build where appropriate on existing Joint Investment Plans;
- that SLAs are based on integrated care pathways.

17.2 Involving Partners and jointly managing risk

A good SLA will result from a dialogue of clinicians, users, carers, public health professionals and managers. It will reflect knowledge of local needs and inequalities. This will require the Chief Executive to ensure that the Trust works with all partner agencies involved in both the delivery and the commissioning of the service required. The SLA will apportion responsibility for handling a particular risk to the party or parties in the best position to influence the event and financial arrangements should reflect this. In this way the Trust can jointly manage risk with all interested parties.

17.3 Reports to Board on SLAs

The Chief Executive, as the Accountable Officer, will need to ensure that regular reports are provided to the Board detailing actual and forecast income from the SLA. This will include information on costing arrangements, which increasingly should be based upon Healthcare Resource Groups (HRGs). Where HRGs are unavailable for specific services, all parties should agree a common currency for application across the range of SLAs.

18. TERMS OF SERVICE, ALLOWANCES AND PAYMENT OF OFFICERS OF THE TRUST BOARD AND EXECUTIVE COMMITTEE AND EMPLOYEES

18.1 Appointments and Remuneration (see overlap with SO No. 4)

Where an employee fails to report for duty or to fulfil obligations in circumstances that suggest they have left without notice, the Executive Director of Finance must be informed immediately.

18.4.4 Regardless of the arrangements for providing the payroll service, the Executive Director of Finance shall ensure that the chosen method is supported by appropriate (contracted) terms and conditions, adequate internal controls and audit review procedures and that suitable arrangements are made for the collection of payroll deductions and payment of these to appropriate bodies.

 - (d) ensure that an adequate management (audit) trail exists through the computerised system and that such computer audit reviews as the Director may consider necessary are being carried out.
- 24.1.2 The Executive Director of Finance shall need to ensure that new financial systems and amendments to current financial systems are developed in a controlled manner and thoroughly tested prior to implementation. Where this is undertaken by another organisation, assurances of adequacy must be obtained from them prior to implementation.
- 24.1.3 The Director of Corporate Affairs shall publish and maintain a Freedom of Information (FOI) Publication Scheme, or adopt a model Publication Scheme approved by the information Commissioner. The contract should also ensure rights of access for audit purposes.
- 24.3.2 Where another health organisation or any other agency provides a computer service for financial applications, the Executive Director of Finance shall periodically seek assurances that adequate controls are in operation.

24.4 Risk Assessment

25.1 The Trust has a responsibility to provide safe custody for money and other personal property (hereafter referred to as "property") handed in by patients, in the possession of unconscious or confused patients, or found in the possession of patients dying in hospital or dead on arrival.

25.2 The Trust will comply with guidance issued by NHS Protect as to the secure management of patients' property.

25.3 The Chief Executive is responsible for ensuring that patients or their guardians, as appropriate, are informed before or at admission by:

- notices and information booklets; (notices are subject to sensitivity guidance)

Due care should be exercised in the management of a patient's money in order to maximise the benefits to the patient.

25.5 Where Department of Health instructions require the opening of separate accounts for patients' moneys, these shall be opened and operated under arrangements agreed by the Executive Director of Finance.

25.6 In all cases where property of a deceased patient is of a total value in excess of £5,000 (or such other amount as may be prescribed by any amendment to the Administration of Estates,

26. FUNDS HELD ON TRUST

26.1 Corporate Trustee

- 26.1.1 Standing Order No. 2.7 outlines the Trust's responsibilities as a corporate trustee for the management of funds it holds on trust, along with SO 4.8.3 that defines the need for compliance with Charities Commission latest guidance and best practice.
- 26.1.2 The discharge of the Trust's corporate trustee responsibilities are distinct from its responsibilities for exchequer funds and may not necessarily be discharged in the same manner, but there must still be adherence to the overriding general principles of financial regularity, prudence and propriety. Trustee responsibilities cover both charitable and non-charitable purposes.
- 26.1.3 The Executive Director of Finance shall ensure that each trust fund which the Trust is responsible for managing is managed appropriately with regard to its purpose and to its requirements.

26.2 Accountability to Charity Commission and Secretary of State for Health

- 26.2.1 The trustee responsibilities must be discharged separately and full recognition given to the Trust's dual accountabilities to the Charity Commission for charitable funds held on trust and to the Secretary of State for all funds held on trust.
- 26.2.2 The Schedule of Matters Reserved to the Board and the Scheme of Delegation make clear where decisions regarding the exercise of discretion regarding the disposal and use of the funds are to be taken and by whom. All Trust Board members and Trust officers must take account of that guidance before taking action.

26.3 Applicability of Standing Financial Instructions to funds held on Trust

- 26.3.1 In so far as it is possible to do so, most of the sections of these Standing Financial Instructions will apply to the management of funds held on trust. (See overlap with SFI No 9.16).
- 26.3.2 The over-riding principle is that the integrity of each Trust must be maintained and statutory and Trust obligations met. Materiality must be assessed separately from Exchequer activities and funds.

27. ACCEPTANCE OF GIFTS BY STAFF AND LINK TO STANDARDS OF BUSINESS CONDUCT

- 27.1 The Executive Director of Finance shall ensure that all staff are made aware of the Trust policy on acceptance of gifts and other benefits in kind by staff. This policy follows the

- 29.1.2 The programme of risk management shall include:
- (a) a process for identifying and quantifying risks and potential liabilities;

 - (e) audit arrangements including; Internal Audit, clinical audit, health and safety review;
 - (f) a clear indication of which risks shall be insured;
 - (g) arrangements to review the risk management programme.
- 29.1.3 These matters shall be defined in more detail in the Risk Management Strategy. The existence, integration and evaluation of the above elements will assist in providing a basis for the Annual Governance Statement within the Annual Report and Accounts as required by current Department of Health guidance.

29.2 Insurance: Risk Pooling Schemes administered by NHSLA

- 29.2.1 The Board shall decide if the Trust will insure through the risk pooling schemes administered by the NHS Litigation Authority or self-insure for some or all of the risks covered by the risk pooling schemes. If the Board decides not to use the risk pooling schemes for any of the risk areas (clinical, property and employers/third party liability) covered by the scheme this decision shall be reviewed annually.

29.3 Arrangements to be followed by the Board in agreeing Insurance cover

- 29.3.1 Where the Board decides to use the risk pooling schemes administered by the NHS Litigation Authority the Executive Director of Finance shall ensure that the arrangements entered into are appropriate and complementary to the risk management programme. The Executive Director of Finance shall ensure that documented procedures cover these arrangements.
- 29.3.2 Where the Board decides not to use the risk pooling schemes administered by the NHS Litigation Authority for one or other of the risks covered by the schemes, the Director of Finance shall ensure that the Board is informed of the nature and extent of the risks that are self-insured as a result of this decision. The Executive Director of Finance will draw up formal documented procedures for the management of any claims arising from third parties and payments in respect of losses which will not be reimbursed.
- 29.3.3 All the risk pooling schemes require scheme members to make some contribution to the settlement of claims (the 'deductible'). The Executive Director of Finance should ensure documented procedures also cover the management of claims and payments below the deductible in each case.
