

The Library and Knowledge Service for Sussex Partnership has a number of ways to keep health care staff up-to-date with the latest evidence. Here is a selected list of resources and services available for your use. See all resources on our website - [www.sussexpartnership.nhs.uk/library](http://www.sussexpartnership.nhs.uk/library)

To access the online resources listed you will need an **OpenAthens** account. Register for your account at <https://openathens.nice.org.uk> Remember to select **Sussex Partnership NHS Foundation Trust** as your organisation.

Contact [spnt.library-services@nhs.net](mailto:spnt.library-services@nhs.net) for advice.

See the full collection at [www.southeastlibrarysearch.nhs.uk](http://www.southeastlibrarysearch.nhs.uk)

## Evidence Searching

We provide evidence to answer questions about patient care, service improvement, research and clinical teaching. To request a search, contact [spnt.library-services@nhs.net](mailto:spnt.library-services@nhs.net)

Recent searches for Child and Adolescent Mental Health include:

- *Adolescent twins and eating disorders*
- [Interventions to support children and young people who self-harm](#)
- *Suicide prevention interventions for young people*
- *Use of the Goal Attainment Scale outcome measure within CAMHS for occupational therapists*

## Evidence-Based Clinical Summaries

[Cochrane Clinical Answers](#) - clinically focussed research from Cochrane Reviews. Each CCA contains a clinical Q&A with data on outcomes relevant to healthcare professionals and links to graphics.

ClinicalKey®

[Clinical Key](#) - a decision-making resource that draws relevant answers from a wide range of current, comprehensive content across 30+ medical specialties.

BMJ Best Practice

[Best Practice](#) - regularly updated, this resource draws on the latest evidence-based research to offer step-by-step guidance on diagnosis, prognosis, treatment and prevention. [App available.](#)

Your instant second opinion

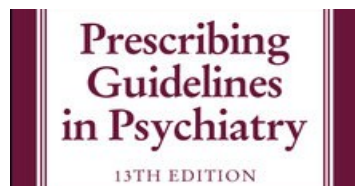

## Exam Preparation

THE BIRMINGHAM  
COURSE

We provide access to online exam resources from The Birmingham Course. Full details are on the [Study for Exams](#) page on our website.

## Prescribing Guidelines and Clinical Procedures

[The Maudsley prescribing guidelines in psychiatry](#) - the fully updated 13th edition of an essential reference for anyone responsible for prescribing drugs for patients with mental health disorders.

The Royal Marsden Manual of  
Clinical Nursing  
Procedures

[The Royal Marsden Manual](#) - provides up-to-date, detailed, evidence-based guidelines for over 200 procedures related to every aspect of a person's care.

## Information Skills Teaching

We offer a wide range of skills sessions to support evidence-based healthcare.

For more information, see the [Improve your Searching and Evaluating Skills](#) page on our website.

## Evidence updates/Current awareness

Save yourself time and ensure you are up-to-date on the latest developments with our regular evidence updates. Our notifications are personalised and targeted to you.

Focusing on the evidence that will change practice, and the latest publications on quality, innovation, productivity and prevention, our aim is to bring you what you need to know and no more.

Email us at [spnt.library-services@nhs.net](mailto:spnt.library-services@nhs.net), listing the topics or journal titles you are interested in.
