

Save lives with Prenoxad

(Naloxone Hydrochloride)

Prescribe take out Prenoxad to all patients who present with an Opiate Overdose when you discharge them

Prenoxad Injection
Naloxone Hydrochloride

The Prenoxad packs are kept in Minors.

Remember to put a patient ID sticker in the Naloxone information book. Substance Misuse Services need this information so that they can see who has been given a pack.

Speak to Jo Bisp, Specialist Drug Nurse for more information about Naloxone & any other issues around drug use.
