

# Sussex Eye Hospital – ARC Referral

New referral form available on **PANDA**

Use it to refer high risks patients to the ARC in the Eye Hospital only

## STEP 1: Click on 'Select' to view the forms options

The screenshot shows the PANDA system interface for Brighton and Sussex University Hospitals. The patient record for 'TEST-PATIENT, G2SAWED (MR)' is displayed. A red arrow points to a dropdown menu labeled 'Select' in the patient details section, which is highlighted with a red box. The interface includes a search bar, navigation buttons, and various menu options like 'ICE', 'PACS - View', 'A&E Attendances', 'Micro Guide', and 'Tasks'.

## STEP 2: Select 'Sussex Eye Hospital – ARC Referral'

The screenshot shows the PANDA system interface with a list of referral forms. A red arrow points to the 'Sussex Eye Hospital - ARC Referral' option in the list, which is highlighted with a red box. The list includes various forms such as 'Blood Transfusion Service - Patient Declining Blood Products Referral Form', 'Cardiac Department - Infective Endocarditis Referral', and 'Sussex Eye Hospital - ARC Referral'. The interface also shows a search bar, navigation buttons, and a 'View referrals from GPs' button.

## STEP 3: Complete the form
