

## **Brighton & Sussex University Hospitals Trust**

### **Requesting & Sharing Information to help a child or young person.**

To provide safe and effective care for your child coming here today, we will be taking a medical and social history and asking for details of any professional involved with your family such as GP, Health Visitor, school nurse or social worker.

Following the consultation we will:-

- share information with the professionals already involved with your child.
- discuss consent to refer to specialists or support agencies if needed, to ensure appropriate care, safeguarding assessment & support is provided to your child.

**Information is confidential and will only be shared  
if it will help the child or young person.**

If anyone has any concerns about consenting to these arrangements please discuss this with the member of staff who is looking after your child or young person.
