

Discharge Lounge New Services

The Discharge Lounge RSCH are happy to announce changes to their service:

- *Wash and support service – your patient can be booked the day before and the discharge team will come to the ward, washing the patient and transferring them before 9am.*
 - *Panda referral for patients to DCL – you can book 24hrs a day. We have a database so you can book your patient into us as soon as you know the discharge date.*
 - *New opening hours from week commencing 30/11/2020 – we will be open until 20.00 Monday to Friday.*
 - *IVABX service – we are now able to complete the last dose of IVABX prior to the patient discharging.*
 - *We can support with discharging the patient for the ward – for example completing a dressing, giving medication or helping the patient pack.*
