

BSUH Discharge Hub & Integrated Discharge Teams (IDT)

What is it?

Hub provides oversight & co-ordination of all BSUH pathway 1,2 & 3 discharges

- Unblocks escalated issues

IDT directly supports discharge out of hospital

- Provides education and guidance
- Specialises in complex discharge (pathway 3)

Who are we?

Discharge Co-Ordinators and Flow Coordinators
Community Trust Managers and Nurses
Doctors and Adult Social Care
Continuing Health Care and CCG
Therapists – Community & Acute
Voluntary and Community Sector
Administration, Quality Improvement and Safety

How can wards help with discharge?

- **Tell us about MRFD patients early**
- Organise TTOs and transport needs
- - Prioritise completing discharge letters and see those potentially able to be discharged early in the ward round
- All pathway 0 and 1 should go via discharge lounge
 - Check if patient has keys or needs them
 - Involve NOK throughout recording their details
 - Escalate any unresolved issues promptly to us
 - - Promote independence from arrival
 - - Become a champion for:
