

COVID-19 UPDATE: 19 July 2021

In accordance with Trust guidance on 19 July 2021, people visiting and working in our libraries must wear surgical face masks at all times.

We are therefore asking library users to please adhere to and follow the protective measures below to reduce transmission:

- Please stay at home if you or your family members have developed symptoms of coronavirus.
- Please wear a mask in all areas of our libraries.
- Adhere to the capacity stated on the doors of our computer rooms and group study rooms.
- Use the hand sanitizers provided on entering and leaving the library.
- Wash or sanitize your hands before and after touching library books.
- Use the clinical wipes provided to wipe down the computer, mouse and keyboard when you have finished.
- When booking a room, please adhere to guidance on room occupancy and contact all attendees if COVID-19 contact tracing is required following the event.

Please help us to help you keep safe.
