

Brighton and Hove Second Opinion for Possible Ano-Genital Warts children aged 2yrs -14th birthday (up to 19yrs with significant learning difficulties)

GP or Consultant asking for second opinion for possible ano-genital warts

GP should refer to RACH requesting second opinion with all relevant information available
uhsussex.paedsmedsecs@nhs.net or letter to medical secretaries

RACH medical administration urgently forwards the referral to
SC-TR.PaediatricSARC@nhs.net
copied to RACH Named Doctor and safeguarding team (for info only)

Appointment at Pebble House sent to family

Child seen and report written to GP, cc parent

Ano-genital warts confirmed

yes

1. Ano-genital warts leaflet given to family
2. Refer to social services if clinically indicated and if so offer full CSA examination in same clinic (if parents wish)
3. Treat as medically appropriate
4. Consider dermatology referral for treatment
