

Directions to the CIRU Seminar Room via the main Accident & Emergency entrance

Enter the hospital through the main Accident and Emergency Department. Walk past the Accident and Emergency Reception to your right and follow the corridor signposted Children's Emergency Department and X-Ray.

Continue straight along the corridor following the signs for Children's Emergency Department and X-Ray and just before the X-Ray entrance, there is a Costa coffee machine to the right of the corridor and a left hand turn sign posted Children's Emergency Department.

Turn left here, then go straight ahead and through the doors directly in front of you, beside the WRVS coffee shop to your right. If you get lost, it is best to ask for the WRVS coffee shop as you will find the entrance directly beside it.

Continue straight ahead, and on the far wall you will see a doorbell for CIRU. Ring the bell and someone will come up to let you in.

If there are any problems, please contact reception on telephone number 01273 696955 extension 3522.
