

# Trust Update

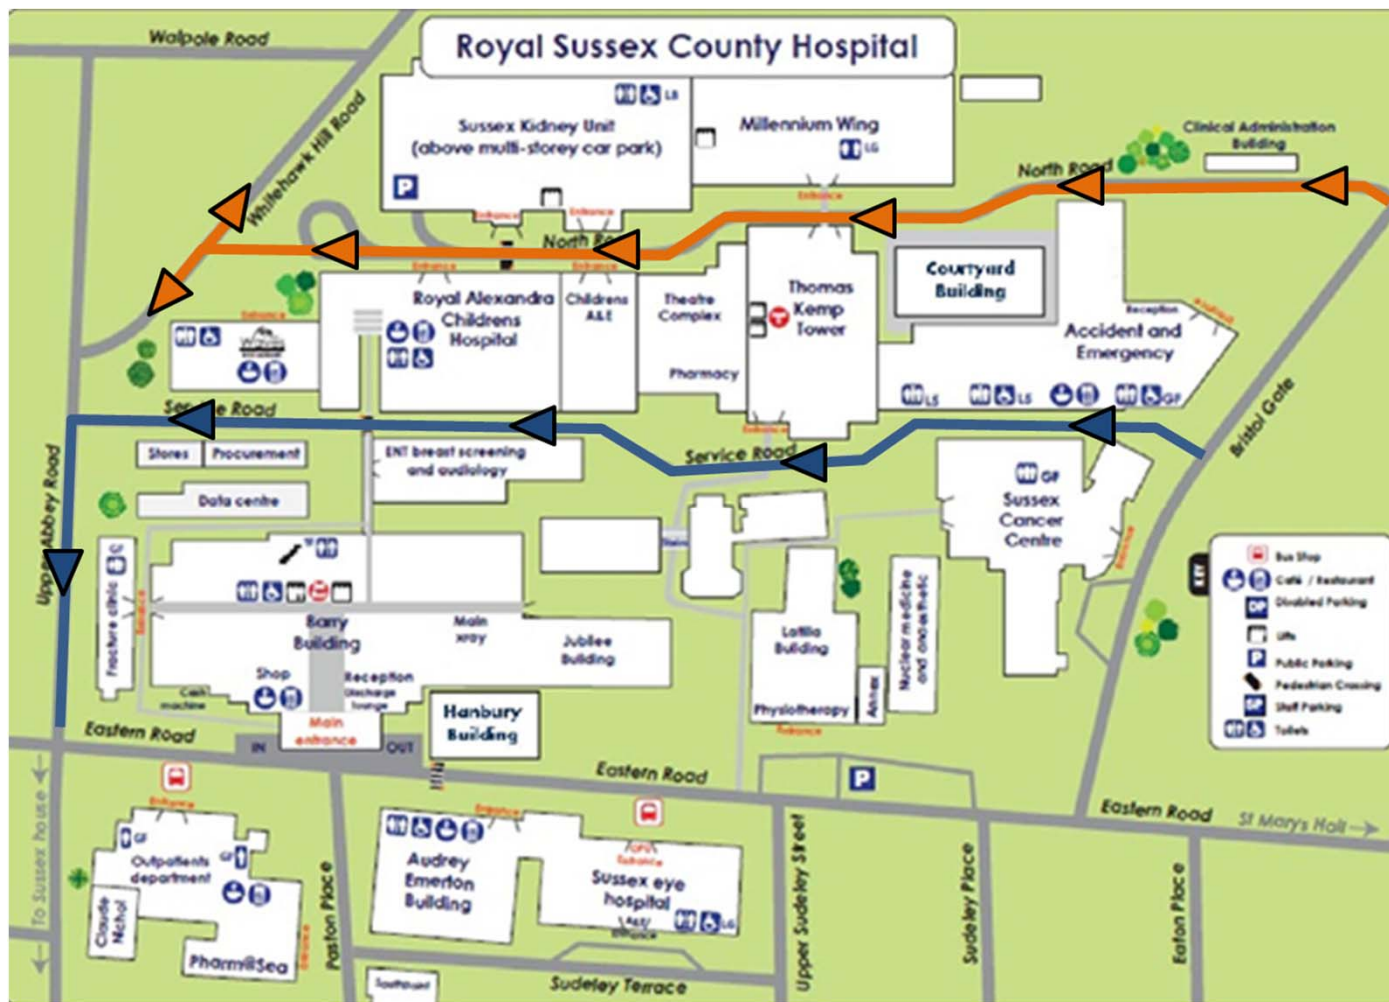

Hospital Liaison Group  
25 May 2016

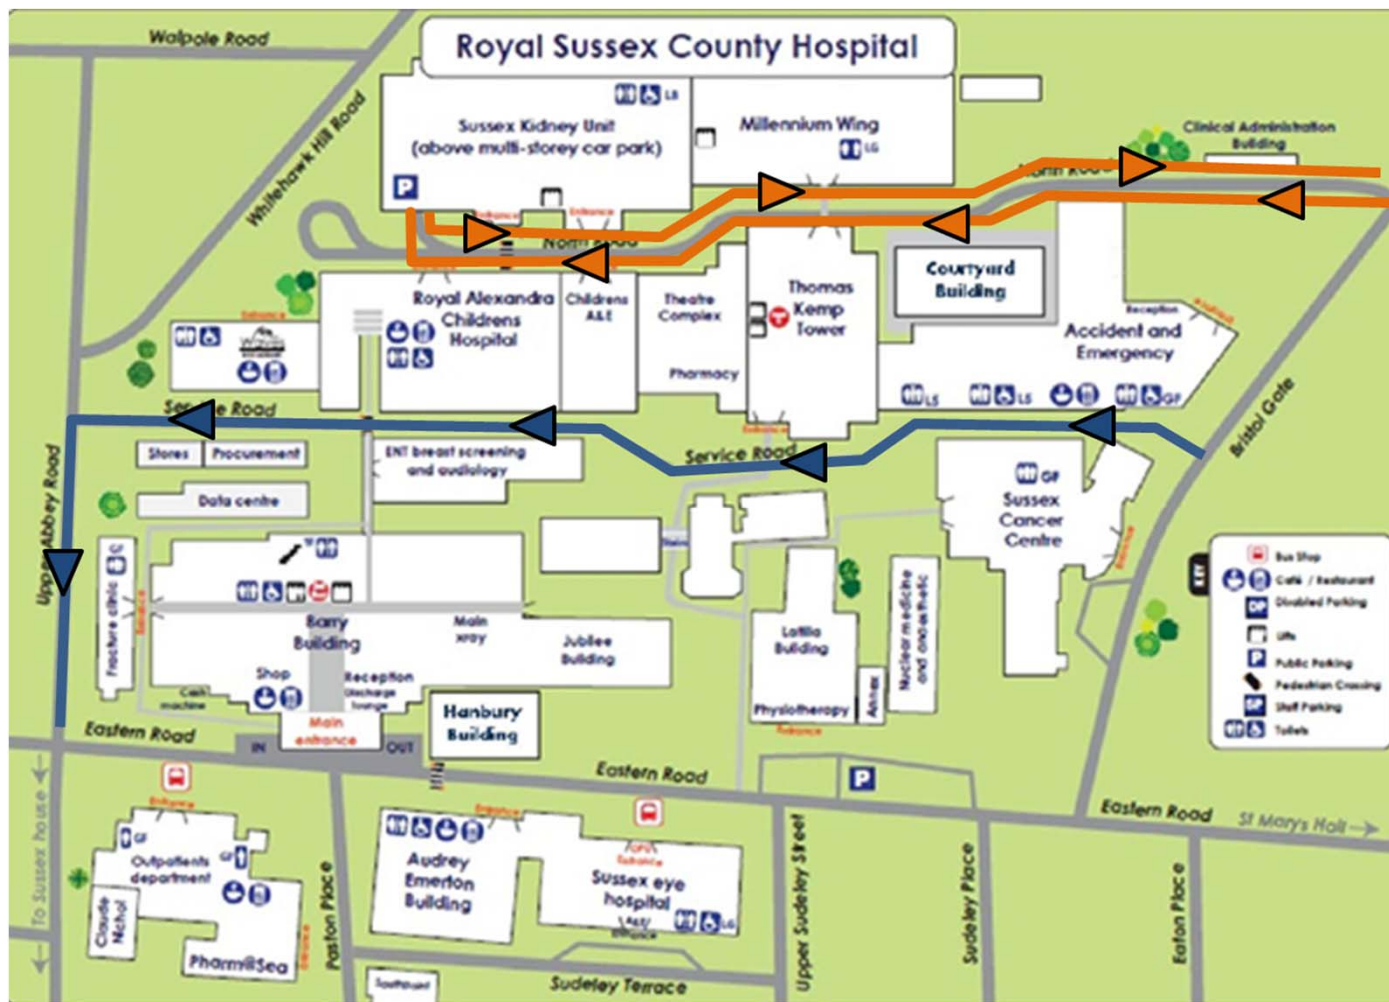

## Site traffic routes: April 2016 to January 2017

## Site traffic routes: January 2017 to June 2017

## Site traffic routes: June 2017 onwards

## Actions taken since last meeting

- Meeting with Brighton and Hove Bus Company
  - Agreement of mutual information sharing around route.
- Meeting with Councillors Simson and Bell and representatives from Brighton and Hove City Council's Highways Department
  - Discussion of the construction traffic route from A27 to the holding centre at the Marina.
- Meeting with Councillors Morgan and Mitchell and representatives from Brighton and Hove City Council's Highways Department
  - Discussion of road management in the immediate vicinity of the hospital, along the route to and from the holding centre at the Marina and from the A27 to the holding centre;
  - Options on UAR from NSR (encouraging more traffic to turn right AND/OR suspension of parking bays on east side of UAR (but this will take some months))

## Issues since last meeting

- Supplies traffic up/down Upper Abbey Road:
  - Continuing (and will continue) to urge suppliers to reduce size of vehicles;
  - Continuing to change delivery times;
  - Continue with security presence (to obviate need for reversing buzzers)
- Construction Working Hours
  - Some specific complaints about accommodation at St. Mary's and preparatory works for TKT crane last weekend;
  - Working hours are 7am-7pm Mon to Fri (no noisy works between 7- 8 am or 6-7 pm without prior agreement. Saturday 8-1 (work 9-1).
  - Sincere apologies to those affected;
  - Will be establishing the 24 hour helpline over the coming months as activity steps up.

## Further actions

- Further discussions with councillors representing wards on the route for construction traffic.
- Attendance at a public meeting in Woodingdean focused on traffic flows in the area.
- Further work with representatives from Brighton and Hove City Council's Highways Department.
