

# How to find Trauma and Orthopaedics Outpatients (Fracture Clinic)

From the main entrance:

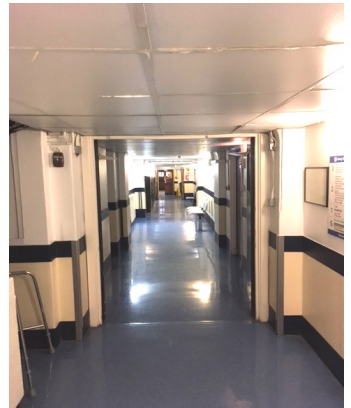

**1**

Go up the slope from the main entrance.

**2**

At the top of the slope you will see a corridor on the left. Follow the corridor and go outside through the double doors.

**3**

Walk across the pedestrian crossing. The Trauma and Orthopaedics Outpatients building is in front of you.

## Site map

The numbers on the map correspond to those on the directions.
