How to find
the Royal Alexandra Children’s Hospital (RACH)

From the main entrance:

1. Take the stairs next to the reception desk. At the top, turn right, go through the double doors. Walk up the stairs to level 2.

   OR

2. Go up the slope from the main entrance to the lifts. Take a lift to level 2.

   Turn left when you come out of the lifts or at the top of the stairs. Follow the corridor round the corner and up the slope.
3
Go up the slope and outside through the double doors.

4
Cross the road and continue towards the stairs ahead of you, but do not go up them.

5
Turn left instead and go through the sliding door. Take the lift on the right hand side (labelled C8) to level 5.
The Royal Alexandra Children’s Hospital is directly facing the lift. From the lift turn left and follow the pavement. You will see the entrance to the Royal Alexandra Children’s Hospital on the right hand side.

If you get lost: Look for the signs giving directions. The Royal Alexandra Children’s Hospital has an orange circle next to it on the signs.

If that doesn’t help please ask a member of staff.
