

**Emergency  
Department**

This is an aerial photograph of a street named Bristol Gate. The street runs from the top right towards the bottom left. It is divided into four color-coded sections: a green section at the top, a blue section in the middle, a red section at the bottom, and a yellow section at the very bottom. Callout boxes with arrows point to each section, providing dates for gas works. To the left of the street is a large building labeled 'Emergency Department'. At the bottom of the image, another street labeled 'Eastern Road' is visible, running horizontally. Various buildings, parking lots, and vehicles are scattered throughout the scene.
