

Urgent Direct Access X-Ray and Ultrasound for Children & Young People

at Brighton and Sussex University Hospitals NHS Trust

Why have I been referred to the hospital?

Urgent Direct Access was introduced so that any patient with symptoms that might indicate a serious condition could have a diagnostic test and be seen by a specialist as quickly as possible.

Your GP has asked for you to have an urgent diagnostic referral:

- for a walk-in x-ray; or
- for urgent ultrasound (within 48 hours)

When is the service provided?

The urgent x-ray walk-in service is provided:

Monday to Friday – 9:00am – 4:00pm

**Department of Paediatric Imaging
The Royal Alexandra Children's Hospital
Eastern Road
Brighton
BN2 5BE**

For urgent ultrasound (within 48 hours) – the Department will contact the parent / legal guardian and will arrange appropriate ultrasound appointment.

How do I contact the service?

If you have any questions regarding your referral, please contact our Department on 01273 523 152 between 09:00am and 04:00pm (Monday to Friday); or leave a message outside these times.
